Foreword

The Indian Journal of Adult Education was first published in 1939 and it has completed 75 years in 2014. We are proud that we could publish this prestigious journal in the field of adult and lifelong education for so long to benefit the readers with all academic contents and inputs relating to the relevant subject. Eventhough, we receive a lot of papers/articles for publication in this journal, we are not able to accommodate all in view of constrains and limitations of the number of pages, quality, content and relevance of the subject. The support extended by the academia, field functionaries and adult education administrators is marvelous and we are really thankful to all of them.

As part of Platinum Jubilee celebration of Indian Adult Education Association and also the journal completing 75 years of publication, we are bringing out this Index containing articles published in the journal alongwith the names of authors from the year 1989 to 2014. Already one such Index was published in 1990 when the journal completed 50 years of its publication which covered the articles and authors from 1939 to 1988.

I am sure this Index will be of interest and help to all those who wish to search the information regarding the articles for use in their research work and writing papers. We would be uploading this Index in our Website: iaea-india.org which can be referred by anyone in India and abroad.

I congratulate Dr.V.Mohankumar, Director, Indian Adult Education Association and Smt. Neha Gupta, Junior Librarian-cum-Documentation Assistant for compiling this Index. Their work will go a long way as part of documentation and useful for the students, academicians and researchers.

K.C. Choudhary

President
Indian Adult Education Association
New Delhi

Acknowledgements

The Indian Journal of Adult Education is a classified journal in the area of adult education. It is published as quarterly covering papers, articles, news, book review and report on the proceedings of All India Adult Education Conferences. In the beginning from 1939 to 1950 it was published as bi-monthly and became quarterly during 1951 to 1959 and monthly during 1960 to 1986. Finally it became a quarterly journal in 1987. This journal has the prestige of being edited by eminent persons like Shri Ranjit M. Chetsingh, Shri S.C.Dutta, Shri Anil Bordia, Shri B.B. Mohanty and others.

As per its objectives it acts as a clearing house for information dissemination relating to adult, continuing education and lifelong learning programmes in India. As the journal has now completed 75 years of its existence and on this occasion we are bringing out this Index which contains articles and authors from 1989 to 2014 as already one such Index was brought out in the year 1990 on the occasion of 50 years of this journal covering the period 1939 to 1988.

Bringing out this Index is an attempt to put all information published in the journal at one place. We are sure that this Index will be of great value to the academicians and scholars and help in searching the relevant information in a short time.

Any suggestions to improve this Index will be welcome.

Dr. V.Mohankumar

Neha Gupta
